Channel Partner Program

WHY JOIN?

Are you looking to grow your business with innovative technologies and products? Are you looking for a true partner that has invested in your success, and who will provide you guidance, training, incentives and support? Then the Ipswitch PartnerSynergy Program is for you!

Regardless of your Partnership Level, our Partner Program prepares you to succeed with:

Marketing Resources

Co-branded email templates, banner ads, and event support materials are available to help you execute targeted marketing campaigns.

Sales Tools

Take advantage of selling guides, on-demand webinars, cheat sheets, and deal registration to target and close qualified prospects.

Sales Account Management

Our sales team is available to ensure that all your technical, sales, and business related questions are answered quickly and efficiently.

Certification Programs

We offer free-of-charge online sales and technical certification programs, with access to lab exercises.

“We recognise that Partners are vital to our growth and the right team for taking our award-winning solution into markets worldwide.

Our new partner portal, customised programs and investments in sales and technical resources are an indication of our commitment to making our partners successful and, in turn, building our business.”

- Michael Hack, Ipswitch Inc.
