

Administrator Training

MOVEit® Transfer

CUSTOMER COMMITMENT

Our commitment to your success extends beyond the purchase of a product through a wide range of consulting and training services designed to ensure that you maximize your return on investment in Ipswitch products.

CONSULTING SERVICES

Our Consulting Services allow you to work with our technical experts to ensure timely and efficient deployments and successful implementations.

TRAINING SERVICES

Our training courses allow you to learn from our technical experts to master your use and management of our products. The courses lead to the level of Certified Professional within the Ipswitch Community.

Ipswitch® Technical Services provide expertise and knowledge transfer to augment your existing resources and maximize your return on investment.

Description

The MOVEit Transfer Administrator training is delivered in two parts.

On line Training Videos

- I. Access will be granted to three administrators for 1 year starting as soon as we receive their contact information.

Personalized Training (1,5 hours)

- I. After your administrators get a chance to review the on-line videos, you can schedule a Personalized Live Training Session.

On Line Training

Topics covered in the On-line Training videos include:

Users Differences in user permission classes LDAP authentication options	Groups Page GroupAdmins permission class
Folder Page Folder structures and types Permission management via Group or User	File Options Uploading/downloading files File history
Ad-Hoc Packages (optional add-on) Ad-Hoc Packages overview & management	Logs Sample Audit queries Log filtering by attributes
Reports Automating reports/delivery options Custom reports	Settings Appearance Security policies Ad-Hoc Transfer (optional) Miscellaneous

Personalized Training

The Personalized Live Training portion takes a deeper look at topics of your choice. Let us know what you are most interested in learning and we will tailor the training to your needs.
